We are required by law to verify the identity and confirm the residential address of each member of the Select KiwiSaver Scheme. We must have this verification on our files before we can process any withdrawal. We can complete this verification electronically for most people. Proof of residential address

Please provide us one of the approved documents (**Box 1**) that show your name and residential address. The document needs to be legible, less than 12 months old and for the address you currently reside. If you change address, please update your address in the same way. You may send to us by email attachment or post. Copies are acceptable and do not require certification by a trusted referee.

Box 1 – Approved documents for your residential address include:

A utility bill (e.g a power, water or telephone bill), a NZ bank statement, any mail addressed to you by a NZ government agency, a letter from your employer on their letterhead, or a tenancy agreement. Should none of these be available, please call us to discuss alternative options.
