

October 2020

Under KiwiSaver, if you have permanently emigrated from New Zealand to a country other than Australia, after one year you can apply to the Manager for approval to withdraw your funds and close your KiwiSaver account. Under this option, any government contributions you have received since joining will be returned to the Government. You keep any **interest earned** on the **government contributions**, and if you have received the **\$1,000 kick-start** you can also keep it.

If it is less than one year since you permanently emigrated, you also have the option at any time after permanently emigrating to transfer the balance of your account to a foreign superannuation scheme.

If you have permanently emigrated to Australia, you can apply to transfer your KiwiSaver scheme to your Australian superannuation scheme. Please see the Permanent Emigration to Australia form, available at [www.selectkiwisaver.co.nz](http://www.selectkiwisaver.co.nz) or by calling us on 0800 80 87 87.
